You acknowledge that the Software is not fault tolerant and is not designed, manufactured or intended by LICENSOR for incorporation into products intended for use or resale in on-line control equipment in hazardous, dangerous to life or potentially life-threatening environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines or weapons systems, in which the failure of products could lead directly to death, personal injury or severe physical or environmental damage ("High Risk Activities"). 12. Assignment of the Agreement. This Agreement and any license granted hereunder to the LICENSEE may not be assigned, sub-licensed or otherwise transferred by the LICENSEE to any third party

This Agreement may only be amended in a signed writing, duly executed by you and LICENSOR.

If any provision of this Agreement is held for any reason to be invalid or unenforceable, then the remaining provisions of this Agreement will be unimpaired and, unless a modification or replacement of the invalid or unenforceable provision is further held to deprive you or LICENSOR of a material benefit, in which case the Agreement will immediately terminate, the invalid or unenforceable provision will be replaced with a provision that is valid and enforceable and that comes closest to the intention underlying the invalid or unenforceable provision.

16. No Waiver. The waiver by LICENSOR of any breach of any provision of this Agreement will not operate or be construed as a waiver of any other or a subsequent breach of the same or a different provision.
